## CELEBRATING 50 YEARS OF LOWE COUNTRY

You won't find it on any map and that's just fine because Lowe Country is where you go to get away from it all. It's your own personal retreat. Lowe Country is where you drop anchor. It's where you sit and visit with friends. It's where you get together

with family. It's cannonballs off the deck. It's catching rays, catching waves, catching fish, and catching up. There's no place like it on earth and it's everywhere you go in your Lowe Boat. It's easy to get to, but it's tough to leave behind. Welcome to Lowe Country.

**RETREAT**  
**SUPER SPORT**  
**SPORT FISH**  
**ULTRA**  
**SPORT DECK**

Versatile, comfortable, and incredibly reliable, Lowe pontoons are built with care by expert craftsmen with decades of experience. Every Lowe is designed to deliver a smooth, safe ride, with the features you want to enjoy your day to the fullest. From the accessible Ultra pontoons, to the versatile high-value SS and SF models, to the inspiring Retreat models, there's a Lowe pontoon perfect for your active family.

## JOIN UP WITH A FAMILY THAT LIVES FOR BOATING!

Membership has its privileges with Lowe Boats' exclusive, members-only Owners Club. Get exclusive access to the exciting world of Lowe and log your outings, record fish caught, review important info about your pontoon, and more. It's all here waiting for you and it's free! All you need is to be a bona fide Lowe boat or pontoon owner, your hull identification number, and an internet connection. Want to learn more?

Membership benefits include:

- » Get active & earn points
- » Create an online profile
- » Log your trips
- » Local dealer information
- » Online owners information
- » Lowe online community

## A WARRANTY YOU CAN COUNT ON, INSIDE AND OUT.

What's better than a great pontoon boat? A great pontoon boat with a great warranty you can count on. Lowe is well known for highly dependable and trouble-free products. Lowe is also respected for responding to its customers' warranty needs courteously and swiftly. However, should a warranty issue occur, our goal is to make your warranty experience with your local dealer as hassle-free as possible, getting you back on the water as quickly as possible.

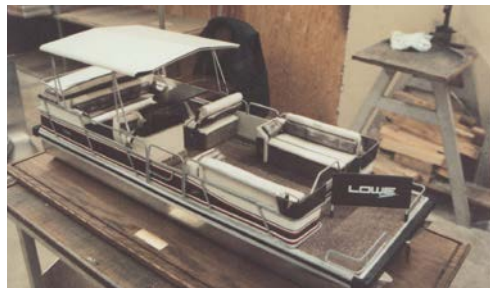

### Backed By Our Improved Limited Lifetime Warranty!

- » **Limited Ten-Year Bow-to-Stern Component, Material, & Workmanship Warranty** - Covering any defect in material or workmanship which is not covered, limited, or excluded by any other provision of the Lowe Boats Express Limited Warranty, if reported within ten (10) years from the date of the first retail sale.
- » **Limited Lifetime Structural Hull Warranty** - Covering defects in material or workmanship of the pontoon tubes, M-brackets, cross members, fence/gate rails, deck structure (plywood deck panels noted below), and motor mounts.
- » **Limited Lifetime Wood Decking Warranty** - Covering any structural defect in material or workmanship of the plywood deck panels during the period of ownership to the original Lowe Pontoon Boat retail owner.

Portions of this limited warranty may be transferred to a second owner for a period of ten (10) years after the date of purchase by the original owner, for the remaining portion of the ten (10) year period after the date of purchase by the original owner. See [loweboats.com](http://loweboats.com) for details.

# BUILT UPON 50 YEARS OF INNOVATION SO YOU CAN COUNT ON EVERYTHING

Lowe is located in the heart of the Ozarks where old-world, hand-worked craftsmanship is renowned. Our pontoons are meticulously assembled by hand using strictly-controlled CAD specifications and advanced manufacturing technologies. Building a quality pontoon doesn't come by cutting corners. Our construction practices were established by our founders over 50 years ago and utilize added labor and materials to build a superior pontoon. Full-width floor joists, full-length M-brackets, full-length keels, and full 25" diameter tubes are just some of the ways we build a better and more trustworthy pontoon.

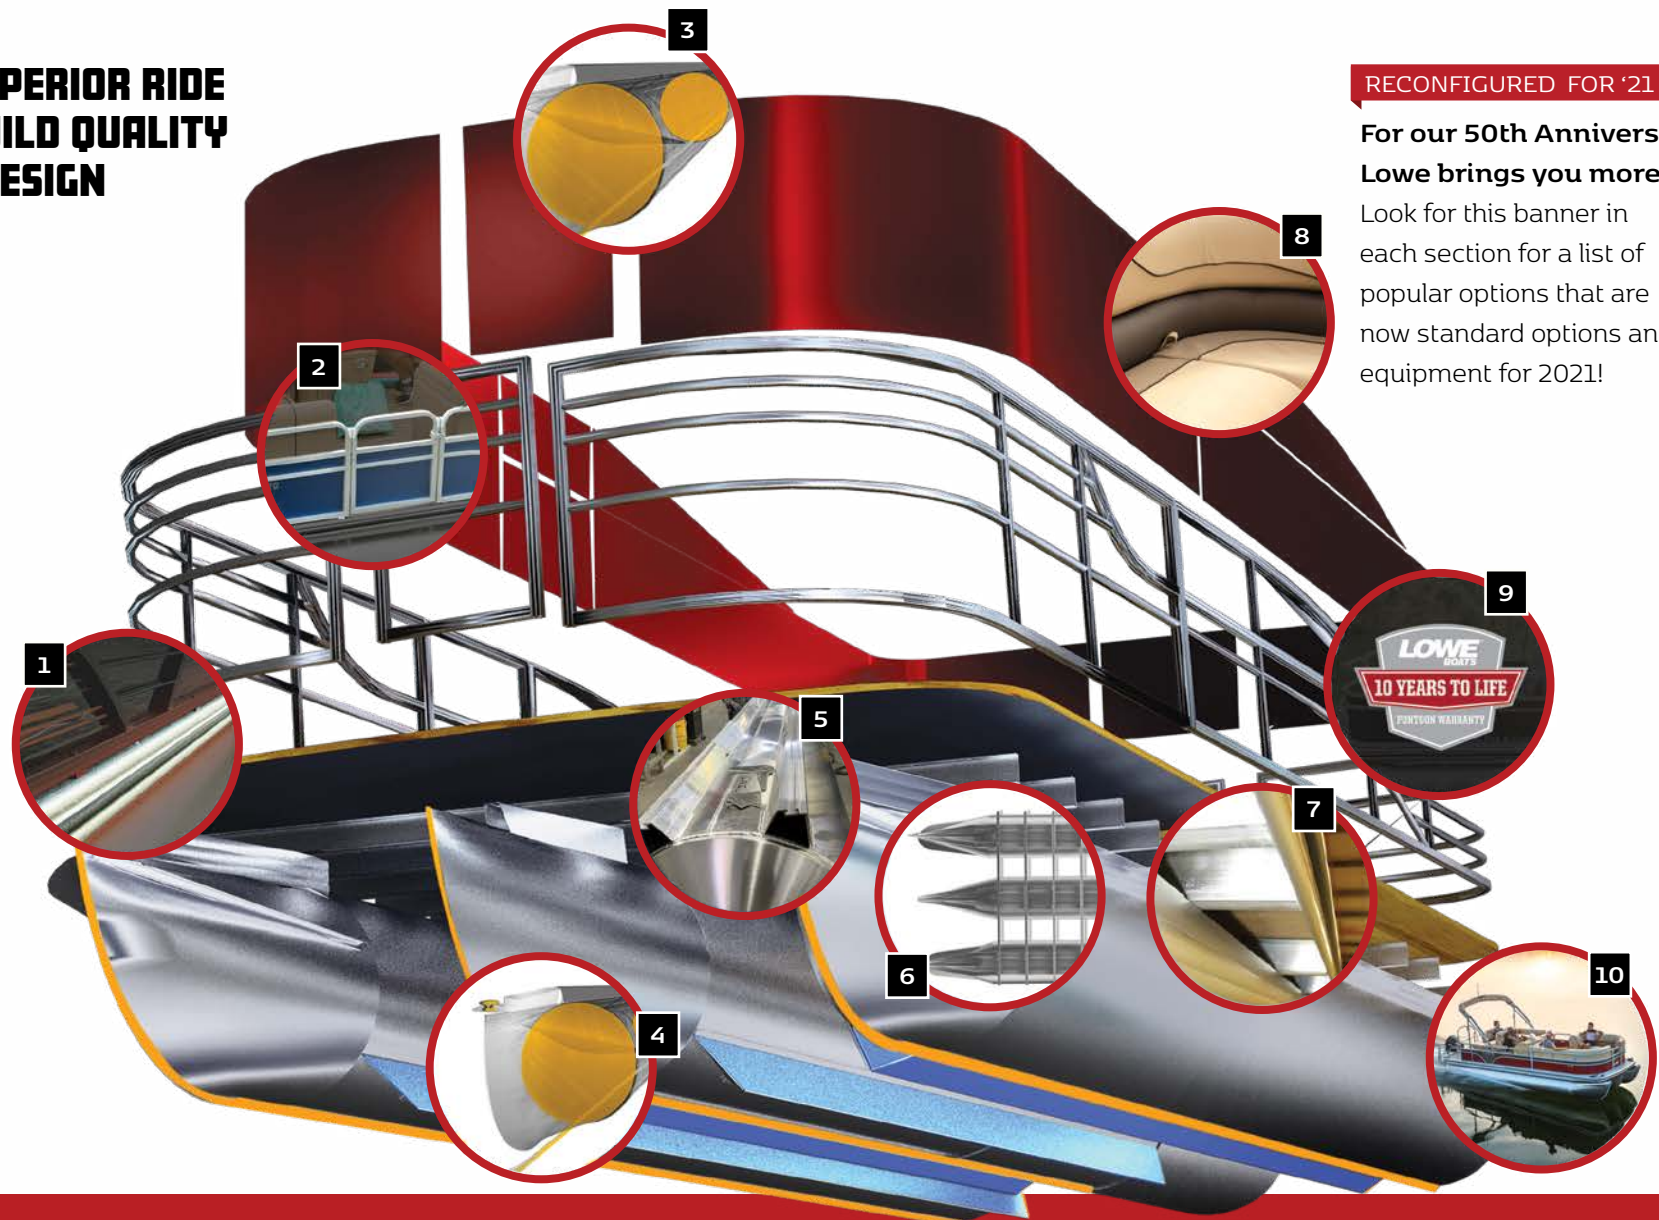

## RIDE IN CONFIDENCE

Lowe pontoons are built to stringent performance and cruising standards using full-length keels and heavy-duty, edge-to-edge crossmembers. Multiple sealed, fail-safe, air-tight chambers in our standard pontoon logs mean that you'll be riding high with

some of the most reliable flotation available. These details translate into significant strength and durability gains and mean less drift on the water.

## A SUPERIOR RIDE & BUILD QUALITY BY DESIGN

RECONFIGURED FOR '21

For our 50th Anniversary,  
Lowe brings you more.

Look for this banner in  
each section for a list of  
popular options that are  
now standard options and  
equipment for 2021!

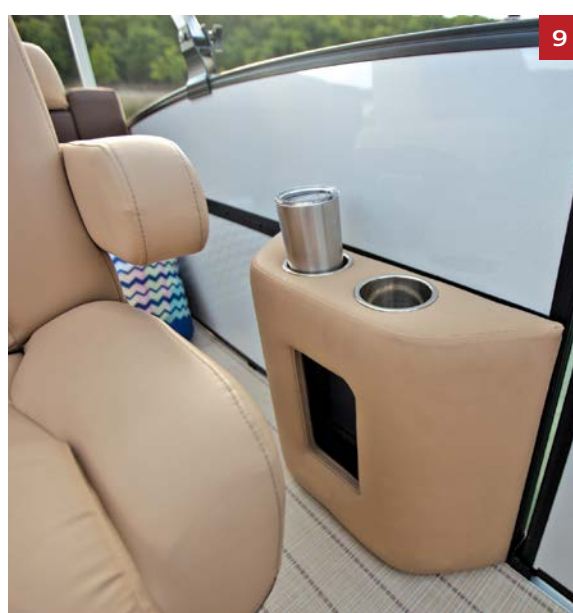

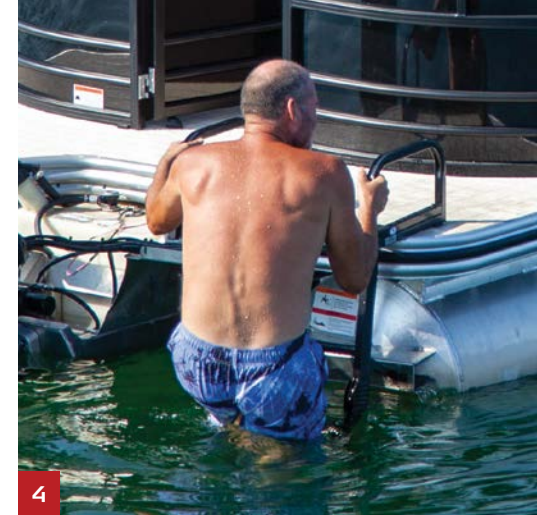

- 1 Full-length rub rails** - provides the ultimate protection against dock and collision strikes.
- 2 QuietRide™ rails & gates** - fencing is securely anchored directly to the frame for a strong and quiet cruise.
- 3 Independent multi-chamber tubes** - pressurized and airtight; highest degree of safety and security.
- 4 Advanced pontoon tubes with full-length keel** - provides improved tracking, efficiency, and superior tube protection.
- 5 Full-length 'M' brackets** - a Lowe exclusive - creates a solid surface and ultimate deck integrity.
- 6 Full-length center trippletoon** - reduces drag as compared to competitive partial 1/2 or 3/4 length tubes.
- 7 Full-width deck cross members** - joists span full-widths where competitors don't, improving side impact strength.
- 8 Premium Veada® comfort seating** - multi-density memory foam with yacht-like upholstered finish.
- 9 A Comprehensive Warranty You Can Trust** - bow-to-stern, we're dedicated to keeping you on the water.
- 10 A model that fits your lifestyle** - choose from 36 models and customize with 100s of choices.

# SO MANY CHOICES

Is it the thrill of a fish-on? Or maybe the sight of an artfully carved wake as your child pulls up for the first time? Or the laughter of your friends and family while floating in a cove? The decision is yours. Which pontoon style fits your lifestyle?
