LOWE[®]
BOATS

A PROUD LEGACY. A BOLD FUTURE.

Lowe Boats was founded in 1971 with a core mission: to build quality boats for outdoor-loving families. From big-water Deep-Vs to bass tournament contenders, and from utility boats to Mod-V family boats, there's a Lowe in the fleet for you and your crew, no matter where you explore on the water.

STINGER 5-SERIES: BUILT FOR THE WAY YOU FISH

NEW FOR 2024

STINGER 5-SERIES

Fishing is more than a pastime to you—it's a way of life.

And owning a fishing boat that meets and exceeds your needs is the first step in energizing your capabilities.

Enter the new Lowe Stinger 5-Series. With more casting space, upgraded consoles, wood-free construction and expanded rod storage, these boats will amp up your fishing game and put you in ultimate control of your on-the-water adventures.

**WATCH THE
PREMIERE**

FIND THE RIGHT BOAT FOR YOU

On the Lowe website, you'll find an easy-to-use boat finder that will help you select the model that's perfect for you and your family. Visit loweboats.com/build-and-price to find your Lowe today.

QUALITY CONSTRUCTION

For over half a century, Lowe has been perfecting the great American fishing boat. From thoughtful design to premium raw materials to the finest aluminum welders, Lowe brings the peace of mind you expect, the value you need, and longevity proven by thousands of Lowe boats passed down to the next generation.

Proven all-welded durability

- Continuous, all-welded hull seams for extreme durability
- The finest, most experienced aluminum boat welders in the industry
- H34 marine-grade aluminum for a lifetime of rugged performance

ProTrac™ Mod-V hull

- High- and dry-riding variable V hull lifts the boat when underway and reduces spray
- Reverse chines with spray rails reduce splash and increase control when turning
- Pressed-in running strakes keep your boat running true from trolling to on plane

V-Tech™ Deep-V hull

- Reverse chines provide extreme bite when turning and stability at rest
- Extruded full-length keel keeps the boat tracking true even in windy conditions
- Maximized outboard efficiency for a smooth, quiet ride

Premium marine-grade paint

- Hulls are hand-sanded, cleaned, and acid-etched
- Premium marine-grade polyurethane enamel
- Multi-layer baked-on painting process with sealer coat

Quality and value that lasts

- Lowe Lifetime Limited Warranty*
- Unlimited power choices
- Excellent resale value

A WARRANTY YOU CAN COUNT ON

BUILT TO LAST AND BACKED IN WRITING

Lowe Boats takes its warranty obligations very seriously. We are known for highly dependable and trouble-free products. However, should a warranty issue occur, our goal is to make your experience as hassle-free as possible and get you back on the water fast.

Hull Seams Welds Limited Warranty: Lowe will repair or replace any structural defect in material or workmanship in the hull seams reported during original purchaser's ownership.

Hull Limited Warranty: Lowe will repair or replace defects in material or workmanship on the factory-installed components if reported within three (3) years of the first retail purchase, if not otherwise referenced or included in exclusions.

Components Warranty: Your Lowe dealer can provide complete warranty information for all accessories & components not manufactured by Lowe for (3) years.

Transferable Warranty: Lowe boat warranties are transferable through your local Lowe dealer adding to the resale value of your boat.

Superior Resale Value: According to leading used boat publications, Lowe ranks as one of the highest in resale value. It's nice to know that when you're ready for your next Lowe, you'll get more from a trade or sale.

** Limitations and restrictions apply. Transferable warranty not applicable to paint warranty. Visit loweboats.com or your local Lowe dealer for details.*

MOD-V

Fast hulls, big decks, and massive storage. That's the story of Lowe Mod-V boats. That, and 50-plus years building the respect of anglers and families across the country. Whether you jig docks for bass, hunt brush piles for crappie, or stake out coves for musky, there's a Lowe Mod-V to fill your days with fishing excitement.

MAXIMUM FISHPOWER

Rods rigged. Tackle organized. Weather checked. On the road before the sun. It's your favorite kind of checklist—one that means that at the end of the day, you'll have fish in the livewell and stories to remember. You don't make compromises when it comes to fishing, and no matter what the day throws at you, you'll be ready if you're in a Lowe Stinger 8-Series. And when you set that first hook and the fight begins, you know it was all worth it.

STINGER

5-SERIES

Quality, style, and value. The Stinger 5-Series has it all. But most importantly, they put fish in the boat and high fives in the air. This extremely popular family of Mod-V boats has been at the core of the Lowe fishing fleet for decades because it offers an ideal balance of fishability, performance, and reliability. Now available in new colors, including camo.

MAKING FISHING MEMORIES

Whether you're tossing topwaters or chucking chatterbaits, the new Stinger 5-Series has the fishing prowess you need to land what you target. Massive rod storage keeps your specialized combos at hand. Expansive decks mean extra room to maneuver. And tourney-grade livewells keep the fish frisky. With all these angling advantages—plus next-level performance—you'll always have time for one more last cast.

LEGACY

Every Lowe comes with half a century of fishing experience behind it. The Legacy is a snapshot of that history, with classic styling that harkens back to the good old days—but with modern design features that let it fish and perform on the cutting edge of boating.

LEGACY

50 YEARS OF FINE FISHING

Some things never change, like the simple fishing traditions you grew up with. The feeling of cruising across the lake and pulling up into a glassy cove early in the morning—and that first cast? There's nothing like it. The Lowe Legacy brings all those memories back, and it's got everything you need—comfortable fishing seats, a big livewell, and generous storage—to let you live those days over and over.

STRIKE FIRST WITH SKORPION

You don't need 200 horses and supercomputers for fish finders. You need a boat that fishes well and is easy to own. That's why we built the Skorpion Series. It's got everything you need and nothing more—a big livewell, comfortable seats, reliable power, and durable all-welded construction. Because it's time to fish, not time for showing off.

BAY

The Bay Series unlocks inshore adventure and releases the fierce angler inside you. These fast, shallow-drafting bay boats pack fishability, performance, and all-welded aluminum durability into a stylish package that looks as good as it fishes. Backed by 50 years of fishing experience, the Lowe Bay boats are the inshore machines of the future, right in the here and now.

UNLOCK YOUR INSHORE WARRIOR

You live to see reds tailing in the grassy flats as the sun rises over the marsh. And you know that everything has to be just right to get you there, so that when you cut the engine and stand to cast, all the puzzle pieces fall into place. The Lowe Bay Series brings those pieces together—with a commanding T-Top-ready center console, stainless grab rail, fast Mod-V pad hull, 30-gal. livewell, gasketed storage, and customizable leaning post—resulting in a boat designed to let you experience the inshore world like never before.

DEEP-V

Why do boaters want a Deep-V? Because a Deep-V gives you a smoother, drier ride; a deep, secure cockpit; and the versatility to fish big water and make memories on the lake with friends and family. From north to south—and for over half a century—Lowe Deep-Vs are known for providing those things to anglers and families, with the fishing, cruising, and tow-sport features to make everyone look forward to thrilling weekends on the lake.

MASSIVE GEAR STORAGE

WALK-THROUGH WINDSHIELD

SMOOTH, DRY DEEP-V HULL

IF YOU FISH IT, THEY WILL BITE

The downriggers are out, and the walleye are lighting up the dash-mounted graph. It’s choppy this afternoon, but the wide beam keeps your footing stable as you monitor your gunnel-mounted rigs. And there it is—click, click, BOOM! You grab the rod, apply pressure, and when the drag screams, it’s time to get the livewell ready. There’s nothing like it—and nothing you’d trade for it.

FISHING MACHINE

SIDE CONSOLE

There is perhaps no more versatile fishing boat in the Lowe lineup than the Fishing Machine SC (Side Console). A roomy, open cockpit means space to fish however you want, whether you're casting for bass in the expansive reservoirs of the south or trolling for walleye in the big natural lakes of the north. Massive livewells, cavernous storage, and a smooth, dry Deep-V ride mean you're set for success.

ALL WATER. ALL FISH. ALL DAY.

Fishing is life. And making boats that make fishing easy is what we do. Example: the Fishing Machine SC. With storage everywhere you turn for rods, gear, and fish (in the livewell), it's laid out to put 'em in the boat. And with four movable, folding, tournament-style fishing seats and six seat base locations, you can fish where you want in maximum comfort.

FISH AND FUN IN THE SUN

The Lowe Fish & Ski Series is built for nonstop action, unrivaled comfort, and extreme reliability. The rugged, proven, all-welded aluminum Deep-V hull provides a smooth ride, and reverse chines throw splashing water down instead of over the gunnels. A protective walk-through windshield makes the ride even more comfortable, and plush seating throughout the boat accommodates all your guests.

JON & UTILITY

From car toppers to fish camp haulers, and from bowfishing platforms to crappie finders, the classic riveted Jon boat is the do-it-all standard from north to south. Top quality riveted construction, predictable performance, and spacious interiors mean these boats are ready to do what you need them to—anytime, anywhere.

RIVETED JON
AURA
WV

RIVETED JON

Tradition. It defines the way we enjoy the outdoors. And nothing is more reliable and traditional than a classic Lowe riveted Jon boat. Fact: there are more jon boats than any other type in North America, and for good reason. They're functional, inexpensive, highly durable, and, most importantly, they get the job done.

THE BOATING CLASSIC

There's nothing like that feeling when you slide the Jon boat off the bank and feel the soft cushion of the water as you float into the lake. With a rugged riveted design, a stable flat bottom, and bench seating, you're ready. It's just you and the fish now—and your trusty Jon boat, there every time you need it.

AURA

The open plan of the riveted aluminum Lowe Aura Jon boats feature a level floor, a large bow deck, and a reinforced transom for ease of fishability. The Mod-V bow and flat bottom contribute to great performance and stability. Under-deck storage and an optional bow seat with receiver mean they're ready to fish, hunt, or work.

- 1852 MT AURA
- 1648 M AURA

IT'S MORE THAN A JON BOAT

Take your standard riveted jon. Add a flat floor for sure footing, and a wide, raised bow deck. Now you've got an Aura. This improved jon boat adds more of what you need to make fishing, hunting, and working even easier.

STRONG, RIVETED CONSTRUCTION

LARGE BOW DECK

BENCH SEATS

UTILITY

Reliability and value are standard with Lowe Utility boats, and a smooth-riding Deep-V bow makes rougher water easier to navigate. Perfect for fish camps, ponds, rivers, and small lakes, these indispensable workhorses bring the capability you need where you need it.
